

The 100% Effect

Investing in a brighter tomorrow by giving them a better today!

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has.

Margaret Mead

2019 In Review

March, 2019 began our third year. We are grateful to each and every one of YOU for the support you provided as we once again surpassed our goals. YOUR time, effort, and financial contributions allowed us to do even more for our children.

THANK YOU!!!

Where did your dollars go?

From a late spring garage sale, followed by a clothing drive where we collected more than 2.5 tons of clean, wearable garments to our *Night of Magic* and the German Christmas Market we were able to provide **24,396** meals, 103 new coats, 75 backpacks filled with school supplies, 10 new eyeglasses, 9 lice treatment kits, 83 medical or dental exams, and thousands of diapers. Through *your* generosity, YOU have made a **huge** positive impact in the lives of so many children in Sussex County, and we THANK YOU!!!

THE LAKE MOHAWK GERMAN CHRISTMAS MARKET

Many thanks to our volunteer elves who helped create holiday items to sell at our final fundraiser of 2019.

An early winter snow storm ushered in a very cold weekend but that did not deter shoppers from making it a most successful weekend!

100% of every dollar directly supports children in need

NEW INITIATIVES AND PARTNERSHIPS

K.I.N.D (Kids Initiating Nice Deeds) AMBASSADOR PROGRAM

Providing children an opportunity to care for each other in ways that go above and beyond their normal interactions allows them to grow and thrive in ways they may never have considered possible.

In collaboration with a local elementary school we have established a pilot program called the **K.I.N.D. Ambassador Program** to create a culture of kindness, respect, and positive engagement within schools, families, and throughout the community.

Every month, students in each classroom within all grade levels will vote for one student who they believe has provided the most kindness throughout the month. The student with the most votes will be named the K.I.N.D. Ambassador and will receive a white awareness bracelet embossed with the words **K.I.N.D. Ambassador** and the **Sojihuggles** logo.

At the end of the school year, the child in each grade level who is voted most kind for the entire year will receive a K.I.N.D. Ambassador Certificate along with a \$100 scholarship.

The Air Force Community Partnership Program

Military installations and local communities partnering to achieve mutual value and benefit

The AFCPP has proven to enhance communication and collaboration between military installations and their neighboring communities.

Sojihuggles has established an outreach program with the Air Force to provide necessary items to our men and women actively in service in remote areas around the globe. Various organizations are helping us in this collaboration by collecting toiletries and other items.

As an adjunct to our **K.I.N.D. Ambassador Program**, students in grades K-12 are writing letters to service men and women that will be delivered with the items on a quarterly basis.

Sojihuggles' goal, as we collaborate with the Air Force and partner with other groups, is to foster kindness and compassion, thereby eliminating bullying, and reducing stress and anxiety so our kids can enjoy a more peaceful existence, which is in alignment with the mission of the Air Force to share resources, information, and unify the civic-base community.
